*Make friends, make memories,  
make yourself at home*

## INTRODUCTION

The BUV Student Accommodation offers high-quality living space and the utmost convenience for students to fully focus on their studies, giving parents peace of mind when their children are away from home.

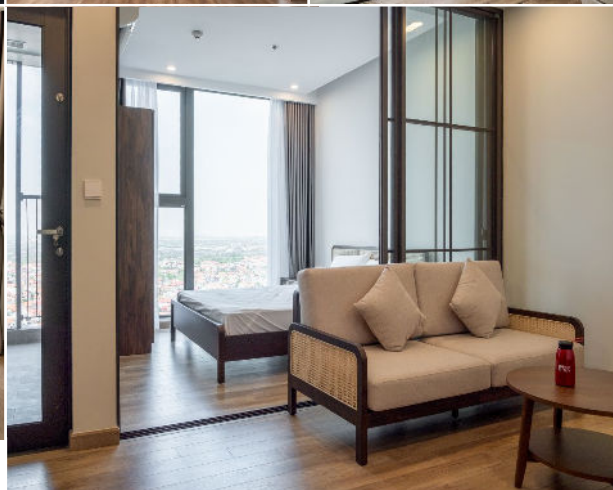

## PREMIUM LIVING SPACE

The student apartments at BUV are designed to ensure functionality and space according to the standards of upscale residential areas, providing convenient and high-quality living space with affordable cost.

Each apartment is fully equipped with: stove, kitchen cabinets, air conditioning, WiFi, television, refrigerator, washing machine, water heater, fully-furnished bedrooms (beds, mattresses, wardrobes, etc.), common living space, study corner, etc. Students have a variety of options for apartment services to share with classmates:

- Single Apartment
- Studio Apartment
- Single Room
- Master Room

## ONE-STOP-SHOP SERVICES

In addition to having access to the shared amenities of the modern and civilized Ecopark urban area, including dining, shopping, entertainment, sports, healthcare, etc., BUV also provides additional services for students living in the dormitories operated and managed directly by BUV. Specifically:

- 24/7 Hotline support to address any issues during residency.
- School bus service commute between home and campus.
- Free housekeeping service (once a week).
- Private Community Room for BUV Students.
- Enjoy free amenities of the residence:
  - Gym, Yoga rooms, and Tea room
  - Indoor swimming pool
  - Infinity pool in the building.
